Giraffe COFFEE ROASTERS

**DID YOU
KNOW?**

Our coffee comes from Giraffe Coffee Roasters in Rotterdam, the caffeine wizards behind our perfect cup. They roast bright, characterful beans from Central & South America, Africa, and Indonesia. Fair, traceable, and guaranteed to keep you deliciously caffeinated.

FUN FACT: Giraffe Coffee got its name from the animal, the pickiest eater in the wild. They stick their necks out to find the best leaves, just like Giraffe does for the best beans.

AFTERNOON-T?

It's the perfect way to spend a cosy afternoon with your besties, sipping from vintage teacups, catching up, and spilling the tea. Curious to know more? Ask our team, they'll spill all the delicious details.

STORY TEA-TIME

Frank
about
tea

Our teas come from Frank about Tea, who work directly with small farmers to skip the middlemen (and the bullsh*t). The result? Seriously good tea, as honest as it is delicious.

FUN FACT: Every tea is sourced straight from its origin, so you always know exactly where your cup comes from.
